Dear Susan Bitter Smith (AZ Corp. Commision),

I just signed Merl Schafer's petition "[BLM: Hold a new Public Hearing and Extended Comment Period.](#)" on Change.org.

Here's why I signed:

It is obvious the new route is through federal land and not through land owned by Pinnacle West and Suncor. The property owners chose to build their homes far from the ugly 230 kV lines running along the 303 and Sun Valley Parkway. Now you want to put them in our backyards. We have written our suggestions which you have not even taken one ounce of consideration. These towers are ugly obstructions and hazardous to ALL HUMAN LIFE.

Gloria and Angel Aguilar
